

C24 application delivery specialists.

Econosto win for C24

Valve and related products specialist Econosto selects C24 to handle its requirements for Disaster Recovery, Server Virtualisation and Exchange 2010.

August 2010 – Econosto UK Ltd (formerly Ball Valves UK) is one of the UK's premier suppliers of valves and related products, with locations in Glasgow, Aberdeen and the Head Office in Leicester has selected C24 to manage their Exchange 2010 migration, server virtualisation and hosted disaster recovery.

The solutions supplied by C24 will be both on premise and hosted; the hosted element being delivered from one of the UK's only tier 4 data centres. Econosto have also contracted C24 to supply 9-5 IT service helpdesk 2nd and 3rd line support for their Exchange 2010, Windows OS and Terminal Services.

Paul Hemming, Managing Director commented that "this is another fantastic win for C24 with a client who is one of the UK's leading valve providers. Econosto will benefit from our service flexibility, technical expertise and our significant Exchange migration skills. We see this as the start of a long standing relationship with a Pan European client".

About C24

C24 is a managed service provider who delivers on its promises. We look to; lower overheads associated with our clients IT infrastructure, implement secure, robust networks that enable our clients to concentrate on their core businesses and to deliver solutions that enable our clients to outperform their competition.

As an application delivery specialist we aim to deliver world class solutions within the SME marketplaces. We offer a portfolio of services that enables our clients to have a one stop shop for their IT needs, these services include; application delivery, IT services helpdesk, Systems Integration, full managed services provision and disaster recovery.
