

## CLIENT Methodist Homes

### SPECIALITY

Methodist Homes is a charity providing care, accommodation and support services for older people throughout Britain. We are one of the most well-established care providers in the sector and amongst the largest charities in Britain, providing services to older people for nearly 70 years.

Our services are delivered by 7,000 dedicated staff and enhanced by the commitment of 4,000 volunteers. Our mission is to improve the quality of life for older people, inspired by Christian concern.

### CLIENT REFERENCE

*Methodist Homes have been working with the team at C24 for many years and see C24 as a critical strategic partner. As such their advice on potential technical business solutions and IT challenges is always sought.*

*A key element of the solution provided by C24 is a fully managed hosted infrastructure delivering 12 business applications via our MPLS network to over 200 sites across the UK. As a team we regularly evaluate new technologies to see how they can improve the overall service. Methodist Homes are happy to recommend C24 as a service provider and systems integrator.*

### C24 SOLUTIONS

C24 host and delivery all business applications to over 200 sites across the UK for Methodist Homes. There are numerous technologies involved with providing the solution including the very latest Gen 8 technology from HP and 3PAR storage. All applications are delivered from C24's high secure POD based out of one of the UK's leading Tier IV datacentres and backed-up to Methodist Homes headquarters in Derby.
