

## CLIENT Origin Enterprises

### SPECIALITY

Origin Enterprises PLC is a focused Agri-Services Group with interests in Food and Marine Proteins and Oils. The main focus of the Group is to be the leading provider of value added services, technologies and strategic inputs that support the delivery of sustainable and profitable food production solutions for primary producers.

### ADDRESS

[www.originenterprises.com](http://www.originenterprises.com)

### CLIENT REFERENCE

*C24 provide Origin Enterprises, and our associated businesses, a range of managed IT services including the management and deployment of our Microsoft Dynamics ERP infrastructural solution and the delivery of our warehouse management system. Since our initial engagement the two companies have developed a key strategic relationship, that has seen C24 not only manage the day to day delivery of our business applications infrastructure but them also being involved in a number of other critical on premise IT deployments.*

*The C24 relationship is a key element to the success of our current hosted IT infrastructure and we can only see the relationship continuing to develop in the future.*

### C24 SOLUTIONS

The provision of application delivery and hosted managed services. This includes Microsoft Dynamics, Manhattan Associates Warehouse Management, Microsoft Exchange and other Microsoft Office Products. All delivered from the Tier IV C24 POD with offsite back-up to secondary datacentre.
